## Are these programmes for you?

The ILM Level 2 qualifications in Team Leading are specially designed to give practicing or aspiring team leaders a solid foundation in their formal development as a leader.

### The ILM Level 2 Award in Team Leading

**The Award** in Team Leading is a concise qualification designed to give learners a basic knowledge of the various roles, functions and responsibilities of a team leader and the limits of their authority and accountability. The mandatory unit in 'Developing yourself as a team leader' is a good starting point for team/cell leaders who are new to their roles or for aspiring leaders who wish to gain a solid understanding of the principles and practicalities of team leading.

### The ILM Level 2 Certificate in Team Leading

**The Certificate** in Team Leading builds and broadens the skills and knowledge gained in the Award. Here, practical techniques in motivating teams, plus planning and monitoring their work are explored within the additional mandatory units.

## Why choose an ILM qualification?
